

School of Economics and Business, UNIVERSIDAD ALBERTO HURTADO, Santiago, Chile

ILADES-GEORGETOWN UNIVERSITY MASTER OF ARTS PROGRAM

- I Health, Education, and Welfare
- J Labor and Demographic Economics
- O Economic Development, Technological Change, and Growth

The School of Economics and Business invites applications for one full-time position. This position must be filled with a scholar working in sub-fields relevant to public policy with an emphasis on development economics, health economics, labor economics, income distribution and poverty. Full proficiency in Spanish is required for this position. The School has particular interest in individuals with substantial training in applied econometrics and with expertise in topics relevant to public policy in Latin America and Chile. Candidates should have a strong commitment to excellence in research and teaching. We currently offer two joint Master Degree Programs in Economics with Georgetown University (ILADES-Georgetown University Master of Arts in Economics and ILADES-Georgetown University Master of Applied Economics to Public Policy). We also offer a MBA program and undergraduate programs in Economics and Business Administration. Candidates should have a Ph.D., or expect one by September 2011. Please send a C.V., two letters of recommendation, and writing samples. Electronic applications are welcome. To guarantee full consideration, applications must be received by June 1st.
